

## Year 4: NUMBER - Multiplication and division

*Recall and use multiplication and division facts for the 9 times tables*

- 1) There are **9** coloured pencils in a pack. Sophia buys **2** packs. How many pencils does she have altogether?
  
- 2) Father Christmas has **9** reindeer pulling his sleigh. He has **27** carrots in a bag and divides them equally between the reindeer. How many carrots does each reindeer eat?
  
- 3) Elephants have **4** legs. There are **9** elephants at the zoo. How many elephant legs are there altogether?
  
- 4) There are **9** cereal bars in a packet. How many cereal bars do you have if you buy **8** packets?
  
- 5) Grandma divides **£54** between her **nine** grandchildren. How much money do they get each?
  
- 6) A box holds **9** chocolate bars.
  - a) How many boxes can be filled from **100** chocolate bars?
  - b) How many chocolate bars are left over?
