Maths Fun – Number hunt

What you need: pen, paper

Put the numbers 0-10 on a piece of paper, then cut these up and ask an adult to hide these around the house.

EYFS - When you find a number say the number and then practice writing it

Years 1 and 2 - every time you find a number work out what you need to add to it to make 10 or 20

Year 3 - Every time you find a number times it by 3 or 4 to practise your times tables

Year 4 - Every time you find a number times it by 8
