➤ Potted Sports

This is a whole-school, non-competitive event that is run during a morning in the Summer term. Children across the school are divided into mixed year group teams and take part in several sports-based activities through the morning to earn points for their team. The aim is to encourage team-building and have fun with sport. Parents are welcome to join us for the morning. If you are able to, please bring a picnic lunch for you to share with your child on the field after the event.
