

You can utilise Sony and Microsoft's consoles to access Google Classroom.

An alternative method of accessing remote learning

Xbox

1. Go into my games and apps
2. Find Microsoft Edge and select
3. Type in: RM Unify and log in as you would in school
4. You can then access your learning through Google Classroom
5. To move around you use the Xbox control or plug in a mouse

(Please note: Unless you have a keyboard available to plug into the Xbox USB slot, it would be best to complete recorded learning onto paper and upload a photo of it).

Playstation

1. Identify the Playstation internet browser icon (it is WWW with dots around it).
2. Press the Playstation logo on the controller
3. Go to the library and find options for games and applications
4. Go to the applications and you will find the internet browser
5. Type RM Unify into the browser and log in as you normally would
6. You can then access your learning through Google Classroom
