

# VERWOOD C.E. FIRST SCHOOL AND NURSERY

Howe Lane, Verwood, Dorset, BH31 6JF - Tel. 01202 822652

## Admissions Policy

Our Nursery Offer contains full details of session times, costings etc.

The Nursery is open to every family in the community, regardless of gender, sexuality, class, family status, means, colour, disability, ethnic group, religion, belief or the length of time living in the community.

The Nursery offers care for children from the age of 2 years up to school age.

Admissions will be based on date of birth and not on the length of time a child has been on a waiting list. This is so not to exclude those families new to the community.

We will ask parents/carers to produce their child's birth certificate.

Children can join the Nursery at anytime during the year, as long as there are spaces available.

Once a place has been allocated to a child, this will be secure as long as payment is made during the school term time to keep this place. Hours required during the school holidays can be booked as and when needed.

When a child's place is secured this does not guarantee additional sessions other than those originally agreed.
