Nursery Celebration

Hello

On Friday 19th July, 9.15am to 10.30am, we will have an end of year Nursery Celebration, which will be held in the school hall.

This will include all our children but it will be a lovely opportunity to wish our older children a farewell from Nursery and wish them a happy start in their big school journey from September.

For the children that attend Nursery on this day, their sessions will remain the same, however, children who do not attend Nursery on a Friday, are invited to join us.

If children who do not normally attend Nursery on a Friday could please be brought to nursery at 8.30am, parents can then make their way to the hall ready to join in the celebration, these children can then be taken home from the school hall with parents when the celebration has finished.

We welcome all to join us for this Celebration and look forward to seeing you there.

As always any questions, please do not hesitate to ask.

Many thanks

Kind regards

Rachel
