

Year Three (Willow Base suggested learning activities)

Week beginning: 30.3.20

Maths

Daily Mental Maths Warm Up: Adding 100 to 3 digit numbers. Please try the left hand column where the answers will not go over 1000. For a challenge also try the right hand column and the challenge activity at the bottom. (Top tip – try drawing the numbers like you do in your maths journals and adding the hundreds if you get stuck)

<https://trockstars.com/> (use your personal login) Please try to log on to timetable rockstars 3 x week for 10 mins a time. Little but more often is key!

Subtraction – If you see Mr Bishopp for some of your maths learning then try the subtraction number bond challenges sheets. There are 3 challenges to try!

AC/AN and HS group - Subtracting two three digit numbers, one sheet does not include exchanging (where the number at the top is smaller than the number below and you have to 'borrow' from the tens or hundreds) but the second sheet is trickier and includes exchanging. Ask an adult to help you check your learning. (*answer sheet attached*)

Year 3 Maths Activity Mat - Each mat is split into sections with different problems for children to solve at their own pace. Each mat also comes with an answer sheet. (*Please find learning attached*)

Real Life Maths – Try the real life subtraction word problems. There are 3 levels of difficulty so please choose your challenge. (*Please find learning attached*)

Are you a maths Whizz? Have a look at the attached year 3 maths 'detective dog' challenge card. (*Please find learning attached*)
