

Useful learning websites for Nursery

All the Curriculum:

<https://www.topmarks.co.uk/Search.aspx?Subject=37> – Learning Games for number fun and literacy. This is the link for the Early Years specific section!

This website also provides links to other websites with information as well as links to educational games. You can select the subject and age of the child or type in a specific activity. It also tells you whether a site is tablet-friendly or not.

<https://www.cosmickids.com/category/watch/> A great resource for mindfulness moments or a spot of yoga to help relax or to use up some energy! Lots of different options for everyone to enjoy!

<https://www.earlyyearscreators.com/eyc/learning-and-development/funky-fingers-finger-gym-part-2/> - These are just a few ideas you could try. The aim of Funky Fingers is to help build the fine motor skills needed for writing. Try a few activities from the list, or make up your own! Some examples could be using tweezers/children's chopsticks to move small items, play with play dough to make certain shapes or any threading activities you may have at home.

<https://www.bbc.co.uk/cbeebies/curations/nursery-rhymes> - Videos to sing along to some fun Nursery Rhymes at home

Literacy:

<https://www.bbc.co.uk/iplayer/episodes/b01cz0p1/alphablocks> - A great phonics resource to help with blending and improving sound knowledge in an interactive way.

<https://www.bbc.co.uk/iplayer/episodes/b00jdlm2/cbeebies-bedtime-stories> - A lovely way to listen some exciting stories

<https://www.phonicsplay.co.uk/> - interactive games to help with phonics learning

<https://www.ruthmiskin.com/en/find-out-more/parents/#lg=1&slide=2> – A great resource for parents to help with sound pronunciation from our Read Write Inc scheme used in school.

<https://www.ruthmiskin.com/en/find-out-more/parents/#lg=1&slide=5> – Some top tips from Read Write Inc on how to get the most from reading with your child

Number Fun:

<https://www.bbc.co.uk/iplayer/episodes/b08bzfnh/numberblocks> Numberblocks is a super resource to help explain numbers 0-10 in a fun way! There are also videos to help support learning in other areas of number.

<https://nrich.maths.org/13371> - A selection of activities to help develop all aspects of Number Fun (Number and Shape, Space and Measure). Some activities provide good examples of questioning and reasoning to help challenge your child's learning.

Topic:

<https://eyfs.info/resources/topic-support/minibeasts-r3/> - Some ideas to help support learning around our minibeast topic. Not all activities listed may be accessible, but there are some nice little ideas you could do easily at home!
