

What is unique/special about my community?

My community past and present –  
How has my community changed over time?

How is my community different from others in the UK or wider world?

# My Community

How can I encourage visitors to my community?

Our next whole school umbrella topic is 'Communities'  
We would like to give you the opportunity to tell us about your community. This project has been left completely open so that you can choose what to learn about. All we ask is that you present your learning in a creative way. You may choose to create a model, paint a picture, write a speech or write a newspaper report. The choice is yours! Here are some ideas that you may wish to consider?

What might my community look like in the near and distant future?

What cultures, values and beliefs exist in my community?

How would I change my community for the better?

How can I take care of my community?

Good Luck!
